Literacy – Labels, Lists and Captions

Key Stage 1

Overview

This resource has been created to support learning in Literacy at Key Stage 1. It supports the teaching sequence for Non-fiction Unit 1: Labels, lists and captions. This resource uses football objects from the Everton collection to help children to read and understand object captions. The images in the resource can be printed out to create a classroom display. This resource can be extended by using a Football Treasure box, please see ([link to page](#)), for more details. There are thousands more football images on the Everton Collection website that can be used to help pupils write captions.
